Success in their future

We would like to take this opportunity to thank both Mrs. Gutting and Mr. Cogan, our faculty advisors, Mr. Charles Miller, our Yearbook Representative, and the many others who helped in making this book possible. But we'd like to especially thank all who worked many long hours outside of school to meet each deadline. We would like to close with this quote.

"Every man is a book if you know how to read him.  
This is a book of many men,  
If you know how to read it."
